

God's Garden Must Be Beautiful

*God looked around the Garden
And found an empty space
He looked down upon Earth,
And saw your tired face.
He put His arms around you
And lifted you to Rest.
God's garden must be beautiful
For He only takes the best.
He knew that you were weary
And He knew you were in pain.
He knew that you would never be
Well on this earth again.
He saw the roads were getting rough
And the hills were hard to climb
So He closed your weary eyelids
And whispered . . . "Peace be thine."*
